Interview the head of the household or an adult member of the household if the head of the household is not present. If there is NO pregnant woman living in the household then leave out section three. Interview all pregnant women that are living in the household individually.

Section 1

Complete this section using data from the Household Listing from

No.	Questions and Filters	Respondent Answers		Skip	Coding
101	Number of households visited		<div></div>		<div></div>
102	Number of people who slept in the household the previous night.		<div></div>		<div></div>
103	Number of children <5 who slept in the household last night.		<div></div>		<div></div>
104	Number of pregnant women who slept in the household last night.		<div></div>		<div></div>

Section 2

No.	Questions and Filters	Respondent Answers	Skip	Coding
201	How many sleeping spaces does your household have?	Number of sleeping spaces <input type="text"/> <input type="text"/>		<input type="text"/>
202	Does your household have any mosquito nets that can be used while sleeping?	<i>Circle answer:</i> Yes No Unsure If Yes indicate 1 in the box and for No or Unsure indicate 0..... <input type="text"/>	If no or unsure → Q207	<input type="text"/>
203	How many mosquito nets does your household have? <i>Ask if you can see all of the mosquito nets.</i>	Number of nets <input type="text"/> <input type="text"/>		
204	How many sleeping spaces have mosquito nets	Number of sleeping spaces with nets..... <input type="text"/> <input type="text"/>		<input type="text"/>
205	Does household have enough mosquito nets to cover all sleeping spaces? Calculate: If number of nets is equal or more than number of sleeping spaces then indicate YES but if less then indicate NO.	<i>Circle answer:</i> Yes No If Yes indicate 1 in the box and for No indicate 0..... <input type="text"/>		<input type="text"/>
206	Did anyone sleep under a mosquito net last night?	<i>Circle answer:</i> Yes No Unsure	If no or unsure → Q207	

207	<p>Who slept under a mosquito net last night?</p> <p><i>Reference the household listing form. Each household member has a corresponding ID #. For every household member that slept under an ITN, mark their ID # in the space provided in the column to the right.</i></p> <p><i>If the respondent does not mention a household member(s), ask if that person(s) slept under a mosquito net last night.</i></p>	<p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p>		
		<p>207 (a) Total number of household members who slept under ITN last night <input type="text"/> <input type="text"/></p>		<input type="text"/>
		<p>207(b) Total number of children <5 years who slept under ITN last night..... <input type="text"/> <input type="text"/></p>		<input type="text"/>
		<p>207(c) Total number of pregnant women who slept under ITN last night... <input type="text"/> <input type="text"/></p>		<input type="text"/>
208	<p>Has anyone in the household been ill with a fever at any time in the last 2 weeks?</p>	<p><i>Circle answer:</i></p> <p>Yes</p> <p>No</p> <p>Don't know</p>	<p>If no → end interview or skip to Section 3.</p>	

209	<p>Who was ill with a fever in the last 2 weeks?</p> <p><i>Reference the household listing form. Each household member has a corresponding ID #. For every household member that was ill with a fever in the last 2 weeks, record their ID#. Sum the total number of household members that were ill with a fever and record the total.</i></p>	<p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Total number of household members ill with a fever <input type="text"/> <input type="text"/></p>		<input type="text"/>
210	<p>For every person who was listed as ill with a fever in the last 2 weeks, List those that got a test for malaria?</p> <p><i>Record which household members got tested and then sum up and record the total number of household members who got a test for malaria.</i></p>	<p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Total number of household members with a fever who got a test for malaria..... <input type="text"/> <input type="text"/></p>		<input type="text"/>
211	<p>For every person who was tested for Malaria in the last 2 weeks, List those whose results were positive?</p> <p><i>Record which household members tested positive for Malaria and then sum up and record the total number of household members testing positive for Malaria.</i></p>	<p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p> <p>Member ID #: _____</p>		

		Member ID #: _____ Member ID #: _____ Total number of household members testing positive for Malaria..... <input type="text"/> <input type="text"/>		<input type="text"/>
212	For every person who tested positive for Malaria in the last 2 weeks, List those who were given drugs to treat Malaria? <i>Record which household members were given drugs to treat Malaria and then sum up and record the total number of household members who were given drugs to treat Malaria.</i>	Member ID #: _____ Member ID #: _____ Member ID #: _____ Member ID #: _____ Member ID #: _____ Member ID #: _____ Member ID #: _____ Member ID #: _____ Member ID #: _____ Member ID #: _____ Total number of household members who were given drugs to treat Malaria..... <input type="text"/> <input type="text"/>		

Section 3: Pregnant Women

No.	Questions and Filters	Coding Categories	Skip	Coding
301	How many months pregnant are you? <i>(If unsure, leave blank)</i>	Member ID #: _____ <input type="text"/> <input type="text"/> Member ID #: _____ <input type="text"/> <input type="text"/> Member ID #: _____ <input type="text"/> <input type="text"/> Member ID #: _____ <input type="text"/> <input type="text"/> Member ID #: _____ <input type="text"/> <input type="text"/> Member ID #: _____ <input type="text"/> <input type="text"/>		
302	Where you expected to attend antenatal care last month? <i>Ask the women to check their card. They can check if they are not comfortable with you checking.</i>	<i>List all pregnant women and tick those who were expected to attend antenatal care last month:</i> Member ID #: _____ <input type="checkbox"/> Member ID #: _____ <input type="checkbox"/> Member ID #: _____ <input type="checkbox"/> Member ID #: _____ <input type="checkbox"/>		

		Member ID #: <input type="text"/> Member ID #: <input type="text"/> Total number of pregnant women who were expected to received ANC <input type="text"/>		<input type="text"/>
303	Did you receive any antenatal care at a health center in the past month? <i>Ask the women to check their card. They can check if they are not comfortable with you checking.</i>	<i>List all pregnant women who were eligible for ANC and tick those who received ANC:</i> <input type="checkbox"/> Member ID #: <input type="text"/> Member ID #: <input type="text"/> Member ID #: <input type="text"/> Member ID #: <input type="text"/> Member ID #: <input type="text"/> Member ID #: <input type="text"/> Total number of women who received ANC <input type="text"/>		<input type="text"/>
304	Where you expected to receive IPTp (drugs (Fansidar) to prevent you from getting malaria) last month? <i>Ask the women to check their card. They can check if they are not comfortable with you checking.</i>	<i>List all pregnant women who were expected to attend antenatal care last month and tick those who were expected to receive IPTp (drugs to prevent malaria) during that ANC attendance:</i> Member ID #: <input type="text"/> Member ID #: <input type="text"/> Member ID #: <input type="text"/> Member ID #: <input type="text"/> Member ID #: <input type="text"/> Member ID #: <input type="text"/> Total number of women who were expected to receive IPTp <input type="text"/>		<input type="text"/>
305	Did you receive IPTp (drugs (Fansidar) to prevent you from getting malaria) last month? <i>Ask the women to check their card. They can check if they are not comfortable with you checking.</i>	<i>List all pregnant women who were expected to receive IPTp (drugs to prevent malaria) last month and tick those who received the drug:</i> Member ID #: <input type="text"/> Member ID #: <input type="text"/>		

		Member ID #: _____	<input type="text"/>		
		Member ID #: _____	<input type="text"/>		
		Member ID #: _____	<input type="text"/>		
		Member ID #: _____	<input type="text"/>		
		Total number of women who received ANC		<input type="text"/>	<input type="text"/>
					<input type="text"/>

Section 4: Counseling: *Tick in each box after providing counseling*

-
1. **ITN ownership and use:** Regardless of whether household members sleep under ITNs or not discuss with them the importance of ITN use and proper use of ITN ☐
 2. **ANC attendance and IPTp uptake:** Encourage pregnant women to attend ANC and receive IPTp. Explain the dangers of malaria in pregnancy and the importance of IPTp ☐
 3. **Malaria testing and treatment:** Encourage all communities members who have a fever to go for early malaria testing and when found positive to adhere to medication. ☐
-

Instructions: Thank the respondent(s) for their time and end the interview.
